Kundalini Reiki is a very straight forward energy healing technique. It does not require intensive study or the use of complex procedures. To benefit best you should be already attuned to at least Reiki I. In having your **Kundalini** awakened safely and instantaneously in this manner, your **Reiki** channeling capabilities will be **greatly improved**.

Furthermore, this combination of **Kundalini and Reiki energy** works in synergy to promote spiritual healing and spiritual evolution towards enlightenment.

Three attunements are given in order to open and strengthen the energy channels of your body, enabling the healing waves of **Kundalini Reiki** energy to flow through you and cleanse your body from energy blockages.

After receiving your first Kundalini Reiki attunement you can begin using the healing energy immediately for self healing, helping others in healing by touch and over distance.

Kundalini is a Sanskrit word for the powerful creative force in the human body, which lies dormant in most people at the base of their spine. The Kundalini energy is also referred to as "Kundalini Fire". When awakened, the energy channel goes from Root chakra to the crown chakra on the top of the head.

Kundalini Reiki is a very safe and gentle way to awaken Kundalini.

Receive: Certificate and Kundalini Reiki Manual.

Michael Daniel Neary is a RMT in Usui Shiki Ryoho (attuned by Master/Teacher Barbara Carlton of The Reiki Healing Center, a Quan Yin Joray Practitioner / Teacher Kundalini Reiki Master, Seichim Master and more.

Pre-registration and Deposit required. Please apply by Saturday June 14th 2008

Reiki Attunement Levels

Kundalini Reiki Level 1

During the first attunement the healing channels are opened to enable channeling of Reiki energy. At the same time, the body is prepared for the Kundalini awakening in Kundalini Reiki 2. The Crown, Heart and Hand chakras are all opened and , thereby allowing healing. You will learn how to perform a complete healing treatment and to heal remotely from a distance.

Kundalini Reiki Level 2

At this level, a Kundalini awakening takes place. The channels are strengthened and the main energy channel is opened safely. As a result, the 'Kundalini Fire' can now travel via the Base Chakra to the Solar Plexus Chakra, preparing the way for a full Kundalini awakening in the next level. You will learn a meditation, which will increase the power of the flame in the 'Kundalini Fire'. This is of great benefit, as all chakras/energy systems light up and cleansing occurs.

Kundalini Reiki Level 3 (Kundalini Reiki Master)

The Throat, Solar Plexus, Sacral and Base chakras are opened and strengthened further. The 'Kundalini Fire' is also strengthened and flows up and out of the Crown chakra and a full rising of the Kundalini takes place. You will learn how to attune others, as well as objects such as crystals, so that they may act as Reiki channels. You will also be instructed on using the following extra, including attunements.
