Seichim (pronounced say-kim), sometimes spelt Sekhem or SKHM, is the Reiki system as used in ancient Egypt. The Seichim attunement and the Reiki master attunement, are similar but bring in a slightly different energy type, which will be available to you while healing. There is no need for you to consciously choose this alternate energy type, as it will be selected automatically when appropriate, however you can consciously select it using your intent if your intuition suggests it.

Seichim uses the traditional Reiki symbols with a couple of additions. You can use them whenever you feel it is appropriate.

Receive: Certificate and Seichim Manual.
